BIG IDEA:

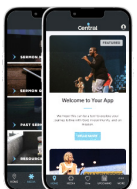

Living a missional life is about more than the people you serve or reach, it about deepening you're understanding of God.

KEY SCRIPTURES:

Acts 1:8

1. Reflecting on Acts 1:8, how do you see the power of the Holy Spirit equipping you to be a witness in your own community?
2. What specific skills, gifts, or passions do you feel called to use to share the love of Christ?
3. Who is one local partner (a ministry or organization) that you can commit to supporting in prayer and service?
4. Who is one global partner (a missionary, international ministry, or Water's Edge Church) that you can lift up in prayer and seek to support?
5. As a group or on your own, what is one tangible next step you can take to actively live out Acts 1:8? This could be volunteering, missional giving, going, or advocating—how will you step out in faith?
6. Prayerfully consider how God might be stretching you beyond your comfort zone in serving others. What barriers—fear, time, resources—might be holding you back, and how can you surrender those to God?
